

## LOCAL SERVICES

The following map represents the location of all the local services, which are so close to our villa that you can reach them easily on foot (200 metres the farrest). However, as you come in from the entrance of the villas, the whole atmosphere changes, as it is very peaceful, inside the nature and ideal for relaxing.

### Supermarket, groceries shop, butchery shop, bakery

The supermarket "Atsipopoulo" locates just next to the entrance of the villa. Inside it there is a groceries shop and a butchery shop. In this supermarket you will find anything you would like for your first needs. It is open every day (also on Sunday) from 9 in the morning until 11 at the night. For bigger variety you can visit also the supermarket "Paulakis" that locates less than 100 meters from our villa on the way to Rethymno at your left hand. It has a bigger variety at many things and the best prices. It has also inside groceries shop and butchery shop. And only about one kilometer from this supermarket there is a separate butchery shop with bigger

variety called “Antonakis”. Moreover, at the interchange of Atsipopoulo, about 2 or 3 kilometres from the villa, there is a “LIDL” supermarket. As far as it concerns the bakery, it locates only a few meters from the villa, next to the first supermarket.

### **Bus to Rethymno city**

There is a bus stop for the bus that can transfer you to Rethymno, just next to the bakery, only 20 meters from the entrance of the villa. Tickets you can find at the supermarket “Paulakis”. The bus stop at Rethymno city locates at the square of “4 Martires”.
